

Policy: Transfer between registered providers (release for student visa holders)

Purpose

To outline the standards for releasing international student visa holders seeking to enrol at another registered education provider.

Overview

International student visa holder releases issued by the University comply with the [Education Services for Overseas Students Act 2000](#) and the requirements of Standard 7 of the [National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2018](#).

Scope

This policy applies across the University.

Policy statement

1. The Australian National University releases students from the University in circumstances that comply with:
 - the *Education Services for Overseas Student Act 2000*;
 - the *National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2018*; and
 - International Student Visa requirements.
2. Where there is a release granted to the student, it is at no cost to that student.
